TWO CENTS

DOUBLE BOMBING IN DONORA AROUSES CITIZENS' INDIGNATION

**Declare All Such Incidents
Must Come to a Quick
Ending**

THREE MEN ARE ARRESTED

Three men are in the Donora lock-up charged with dynamiting the home of a man who had expressed a determination to return to the Donora mills and go to work.

One of the men implicated has made a confession, while the police say they have enough evidence to convict the other two. All three men were arrested within five minutes after the explosion took place.

There were two bombing outrages within a few hours of each other in Donora last evening, and the police claim to have unearthed a plot whereby it was the intention of radicals to institute a reign of terror in that town in order to keep men from returning to the mills to work.

The home of John Samok, who lives in an alley in the rear of Meldon avenue between Fifth and Sixth streets, was the scene of the bombing that led to these arrests. He had moved in yesterday, having just purchased the house from Cosimer Locovish. A man named Charles Dombrowsky, who was a boarder at the Locovish home, was arrested on the scene of the explosion shortly after it occurred, and later confessed to the police that the dynamite used in the explosion had been given to him by Locovish. Two other men, who ran away from the scene, were pointed out to the state police by women who saw them putting off the charge. The police gave chase and arrested the two men, Stanley Guiseppe and Nick Evich, and placed them in the lockup.

Immediately after the explosion it is said that hundreds of Americans gathered at the scene and gave expression to vigorous opinions that the bombing outrages must cease, and that the government would be requested to send in troops in order to round up the reds and radicals and put them where they would be harmless.

Samok, it appears, had expressed a determination to return to work, and it is believed that the explosion was meant as a warning to him. However, the citizens of the town declared themselves and have determined that these outrages must cease. Burgess Cox, accompanied by Burgess Stewart of Monessen, left for Harrisburg last night to have a conference with Governor Sproul, and it is expected there will be something definite to announce within a few days. The Donora mills are expected to resume double turn in all departments on Monday next, and officials of the borough as well as the mill, are determined that these men shall have protection. It is for this purpose that the chief executives of the two boroughs are now at the state capital.

Donora is probably wrought up more over the two outrages of Wednesday than of any preceding incidents, and have expressed themselves in no uncertain tones that all such outrages must come to an end.

DENIED CITIZENSHIP TO STRIKING MINERS

Saying that the President and the United States government have asserted that the strike of the coal miners is illegal and against the constitution, Federal Judge Charles P. Orr, in the United States District Court at Pittsburgh on Wednesday refused to grant five miners, out on strike, the right of citizenship. Four of them are overseas veterans and two were wounded in action. Judge Orr, after saying he would hold the five cases over until after the strike had been settled, said: "You could not faithfully take the oath of allegiance and remain on strike under existing circumstances."

COAL FROM UPPER POOLS

**Mines Running Over Full
Time to Supply Demand
for Fuel**

SHIPMENTS ARE QUITE HEAVY

Evidence that more coal than ever before is being mined in the upper pools of the Monongahela valley is shown by the records of shipment kept by the government at Lock No. 4. Beginning with midnight last Friday, the first day of November, the day the strike went into effect, and ending at 12 o'clock last night, or the first five days of the suspension, there were 95 barges of coal loaded through the local lock, containing 2,194,000 bushels of coal. The companies able to secure coal from these up-river mines are the Carnegie Steel company, all of whose available boats are in commission, the Vesta Coal Company, which has two boats operating, the Pittsburgh Steel company, with two steamers, the Crucible Fuel company, as well as other corporations which have workings in the unorganized districts.

Running day and night the Frick Coke company is able to keep the steamers of the Carnegie line quite busy, and this morning this company had twenty loaded barges at the different mines in the up-river district. All of the mines below Lock No. 5 are idle, this district containing the mines of the Pittsburgh Coal company, and the larger workings of the Vesta Coal company. From the manner in which the Frick mines are being operated there will be no shortage of coal with the steel corporations, while the Vesta Coal company is able to secure quite a quantity of fuel from mines in the sixth and seventh pools.

Fire May Have Been the Work of an Incendiary

The fire which destroyed the school houses at VanVoorhis, in Fal-lowfield township, on Tuesday, may have been of incendiary origin. The loss is about \$15,000 on which \$12,000 insurance was carried.

According to the reports submitted to the school board, smoke coming from a register attracted the attention of one of the teachers and she gave the alarm. While a defect in the flue is the only plausible man-ner in which the fire could have started, the board has experienced some trouble from trespassers, and on Tuesday morning a lock on the door was found to have been broken. The heating system had been working perfectly and the school directors are inclined to believe that the buildings may have been fired deliberately, although they refuse to commit themselves. One of the buildings destroyed was a four-room structure which was erected two years ago to meet the increase in population at VanVoorhis. The other was a one-room structure which was built about five years ago. The flames spread so rapidly that nothing could be done to save the buildings when sufficient help arrived on the scene. The school board has begun work on a temporary building, which will be rushed to completion as rapidly as possible so that school may be re-sumed. Plans will also be taken up for the erection of a permanent building at that place.

HOME OF DONORA MILL MAN ROBBED

The home of Mike Schokoff, in Donora, an employee of the American Steel and Wire company, was bombed about 6:30 o'clock Wednesday evening, the porch in the rear of the building being torn off and the weather boarding ripped off in a number of places. Schokoff's wife and small baby, who were both in a rear room, were badly shocked and bruised, but not seriously injured.

Four persons suspected of having a hand in the bombing outrage were arrested a short time later and are being held by the state police. Investigation showed that black blasting powder was used and that it had been secured from Bentleyville. Their arrests are expected as the police have several clues which are being closely followed.

"SAFETY FIRST" WAS A SUCCESS

The recent safety first campaign on the Monongahela Division was profitable of good results, and but few accidents were reported as a result of greater care on the part of the employees. During the year-1918 there were 17 injured and none killed; so far during 1919 there have been four injured, a decrease of 13. On the Pennsylvania Railroad system in 1918 there were 15 employees killed and 50 injured. In 1919 there were seven killed and 248 injured, a decrease of 55 per cent. In 1918 there were 167,059 employees of the Pennsylvania System and in 1919 the total number is 185,138.

Mr. and Mrs. Abe Levinson have returned from their wedding trip M. E. church, which was spent in the east. They will live in Charleroi.

PRIORITY ORDERS ON BITUMINOUS COAL

H. A. Garfield, United States Fuel Administrator, has issued an order designating the priority list for bituminous coal, to be in effect during the present strike of the bituminous coal miners in the Central competitive district. This list provides that the following shall be first on the list, followed in order by the Army and Navy, together with other departments of the Federal government, State and county departments and institutions, public utilities, retail dealers, manufacturing plants on War orders, and lastly, the general public.

MRS. JENNIE J. JOLIFFE

Funeral services for the late Mrs. Jennie Joliffe were conducted at the family home in Bellevue Tuesday afternoon at 3 o'clock. Dr. Thoburn of the Bellevue Methodist church led in prayer. Rev. Richards of Pittsburgh, formerly of the Charleroi Methodist Episcopal church of which Mrs. Joliffe of her faithful work in scripture and talked of the life of Mr. Joliffe, of her faithful work in which she was held both in Charleroi and in Bellevue. Rev. Law of McKeesport talked on the early life of the deceased. Mrs. Joliffe was a member of the Brownsville cemetery Wednesday morning. Services at the grave were conducted by Rev. Husted of the Brownsville church.

HUGHES WILL LEAD BAKER BY OVER 4,000 MAJORITY

COAL PRODUCTION RECORDS ARE BEING SHATTERED

Reports from Fayette and Westmoreland counties say that production records for the non-union mines in those localities are being shattered this week. The output of all these mines is being increased daily and it is said that many new miners, many from the district where the strike now prevails, have applied for and have been put to work. So far as the steel corporation is concerned, there has been no let-up in the supply of fuel for the Clairton by-product plant and for boiler purposes.

Born--To Mr. and Mrs. Max Wayne of Shady avenue, a daughter.

RED CROSS ROLL CALL

**Chairman Wishes to Have
Work Completed by
the 11th**

MUCH WORK YET TO BE DONE

Mr. Berryman, chairman of the Red Cross Roll Call is very anxious to have the campaign for membership now on completed within the time specified, that is, by the 11th of November. It is possible to do this will require the co-operation of the individual, as well as the most intense work on the part of the solicitors. To enroll in the Red Cross costs but one dollar, while it is also urged that a subscription to the Red Cross Magazine be also taken.

Everybody who responds to the Third Red Cross Roll Call will have a part in carrying to completion the tasks which were assumed when the United States engaged in the war. And nobody ought to miss the chance of enrolling through one of the million volunteer workers who will attend the signing up for the year 1920.

Charleroi Chapter made an enviable record during the war--it has yet much work to do, and in case of an epidemic it would be invaluable.

Be sure to enroll in the Red Cross.

CREWS KEPT BUSY IN HAULING COAL

Twenty-nine train crews were called at West Brownsville Junction from Sunday until Wednesday morning, to take care of coal and coke trains. Railroad men were expecting that work would be somewhat scarce during the mining suspension, but as there is so many non-union mines at work in the upper districts, the railroads will be kept almost as busy as usual in taking care of trains and getting the fuel to market.

Ecker Wins the Minority Place on Board of Com- missioners

AIKEN HAS THE HIGHEST VOTE

Practically complete returns from Tuesday's election added to the big majority by which the Republican county ticket was elected, and to further increase the vote of H. B. Hughes for orphans' court judge over G. P. Baker. The election of W. H. Ecker as minority commissioner is also conceded, as he will lead A. P. Barnum, the present incumbent, by over 300 votes.

In the contest for orphans' court judge, returns from 149 out of 153 precincts give Hughes 9,413, and Baker 5,410, a majority for Hughes of 4,003. The complete returns from all the districts will not change this result materially. Mr. Hughes carried four out of every five precincts. He carried all of the big towns on the river, including Monongahela, Donora and Charleroi, while Mr. Baker carried California, his former home town. Hughes carried Washington and Canonsburg by large majorities.

With 143 out of the 153 precincts tabulated, unofficially Ecker had 4,710 votes and Barnum 4,351, Ecker's majority being 359. The remaining precincts may increase Ecker's lead. The contest between Barnum and Ecker caused a great deal of interest throughout the county, and many Republicans split their tickets for or the other of these candidates. Mr. Barnum is now serving his second term as commissioner and was a candidate for a third. Ecker has never held office in the county, although he had been a leading Democratic worker for years. As a result of the election of Tuesday, he will now take a place on the board of commissioners, which he will hold for four years.

The Republican ticket in the county will have from 5,000 to 7,000 pluralities over their nearest opponents, with Col. Aiken leading. All of the candidates polled good votes, although many remained away from the polls. All candidates elected on Tuesday will take their places on the first Monday in January.

McVey's Select Dances

Tuesday night, Markell hall, Monongahela, Saxophone and banjo orchestra from Pittsburg.

PATRIOTISM

If there ever was a serious mistake which our people are in danger of making it is the view that we are taking of the nature of patriotism. To many it simply seemed to be a state of lip enthusiasm for the interests of our country in time of war. Then it was our duty to make sacrifices, to show our devotion to America, to display the flag, to rebuke the luke warm with all the energy at our command. Now that peace has come, it seems that patriotism has been demobilized for a great many people. Our government makes appeal after appeal, and they fall on deaf ears. We are told the things which are essential for the well being of the nation and we proceed to disregard all of them. It is pointed out to us that the enemies of our country are still active in the newer and even more dangerous trade war, and great classes of our citizens take the very steps which will help to restore German industry by weakening our own industrial efficiency.

How much have we heard of the need of thrift. Who practices thrift? The trades which lead in luxuries are flourishing as never before. We have all heard that any reduction of the amount of goods produced in America must of necessity encourage the German export trade. And in spite of this fact, we are doing the very things which will restrict production and make prices high.

To complain about the present situation will be of no especial value. What we need is a combined effort to show that there is as definite a need for patriotism in the critical period after the war as in the darkest days of the great conflict. The school, the church, all of the institutions which have any part in moulding public opinion, can play their part in this movement. We do not need emotionalism but a steady and intelligent devotion to the best interests of our country. This as we understand it is patriotism and the news reports which come to us from day to day show that America needs it as never before—Duquesne Times-Journal

THE BUDGET SYSTEM

A chorus of approval rises from the American press at the idea of introducing a budget system into the management of the national finances, as for that matter, might have been expected from a press which has long been practically unanimous in its disapproval of what one newspaper graphically calls the "old, antiquated, log-rolling, pork barrel, haphazard appropriation system of financing the government." The change by doing away with the famous "pork barrel," symbol of what Barnum might have called perpetual and pernicious speculation in practical politics, will deprive the press of much material for its cartoonists, but the newspapers are evidently quite willing to get along without it.

Congress continues to make its fight against radicalism through the introduction of bills intended to curb the activities of the "Red" element of the country. The latest bill of this character has been introduced by Representative J. M. C. Smith, of Michigan. The bill provides that the display of a red flag at any public gathering would be "prima facie evidence" that it was being used as an emblem of anarchy. A punishment of five years imprisonment and \$1,000 fine is provided for violation of the measure.

MISSIONARY SOCIETY

MEETS AT CHURCH
The Women's Foreign Missionary Society of the Methodist church was entertained in the church Wednesday afternoon. Mrs. Frank Jones lead the devotions. The program was in charge of Mrs. L. J. Mitchell who was assisted by Mrs. C. W. Albright, Mrs. J. F. Laird, Mrs. J. M. Hill and Mrs. Fox. Miss Elizabeth Frew sang a solo. During the social hour refreshments were served by the hostesses, Mrs. J. D. Berryman, Mrs. W. D. Pollock, Mrs. D. Province and Miss Letitia Furlong.

NEW EXPRESS RULE FOR 25-LB. SHIPMENTS

The American Railways Express company is adopting new express packing rules to take effect December 10th. Under the new regulations all shipments sent express, weighing over 25 pounds, must be placed in wooden containers or cartons of fibreboard, or corrugated strawboard boxes. This means that all packages over 25 pounds limit will not be accepted if only paper wrapped, or unwrapped, will be accepted. This does not affect shipments under 25 pounds. This new rule does not affect the movement of food products; furthermore, this new rule will provide additional safeguards for merchandise in transit, and better protection for supplies.

HALLOWE'EN AT THE CALIFORNIA NORMAL

The Normal School celebrated Halloween on Saturday evening by a dinner and masquerade. The dining room was so weird yet beautiful in its colors of yellow and black. Everywhere you turned you faced a ghost, witch or goblin. The table decorations of cardies, pumpkins burning incense, place cards and fortunes were beautiful. After a dinner fitting the occasion was served by Mr. Pollock, the lights were turned out and the balance of the hour spent in candle light, telling ghost stories. The witch scene from Shakespeare's Macbeth was very interesting. Mrs. Entz, Mrs. Wilson and Miss Niebeum who had charge of the dining room entertainment and decorations certainly made us all enter into the spirit of the times.

The man of the Slippery Rock Normal football team were our guests of honor after their defeat on the ball field. After the dinner a masquerade was held in the Gymnasium under the supervision of the Y. W. C. A. The costumes were unique and many of them beautiful. The balance of the evening was spent in marches, games and fortune telling.

CLAIRTON HELD AS EMERGENCY BOAT

The towboat Clairton of the Carnegie Steel company, will probably be seen but seldom on this part of the river in the future. According to reports the famous "tar baby" will be kept for use as an emergency boat chiefly. The familiar "smoke screen" will be missed, but nobody along the river will mourn the absence of her noise. The Clairton is a screw propeller type of boat, and has immense power. While capable of doing great work, the boat has been in the shop longer than she has been in active service, as it was found necessary to make a number of changes in her machinery and cabin arrangements. Screw propellers have not yet proven a success on the Monongahela, nor have they been able to give the service of the old-style paddle wheel boats, which are such a familiar sight in the valley. The Carnegie line expects to add at least two boats of this type during the present month, with two more on the way.

PRESIDENT NAMES

THANKSGIVING DAY
President Wilson, by proclamation on Wednesday, set aside Thursday, November 27, as Thanksgiving Day, in which he said "the country looked forward with confidence to the dawn of an era where the sacrifices of the nations will find recompense in a world peace."

SATURDAY'S GAME A FOOTBALL CLASSIC

Quite a number of Charleroi followers of football will attend the big game at Pittsburgh on Saturday, when the gladiators from Pitt and W. & J. will line up against each other. It is anticipated that one of the largest crowds that ever assembled in Forbes Field will witness the game. Even now it is almost impossible to secure a reserved seat, the public being compelled to be satisfied with general admission to the side lines or to the left field bleachers. Three special trains will carry Washington people, while special coaches on an earlier train and the street cars will handle others. Both teams are now being pointed for this game, which is considered the football classic of the year in Western Pennsylvania. The victory of W. & J. over Syracuse makes that team the favorite in the eyes of the people, but football, like baseball, is mighty uncertain.

TAKE THIS WARNING

ACT QUICKLY.

When Nature warns you that she needs your help, take heed. Little headaches, however annoying, are the way Nature tells you that she can't eliminate all the waste matter from your system herself. Help her with a natural agent. BA-HA-NI soon rids you of all waste matter, clears your head and keeps your stomach and bowels in perfect condition. No gripping, no mean after effects. Just try taking one with your evening meal. Begin now! Buy a 25c or 50c box of BA-HA-NI from Hennings' Drug Store or any good druggist.

SIMPLE COMBINATION HELP WEAK EYES

Charleroi people are astonished at the quick results produced by simple witchazel, camphor, hydragrist, etc., as mixed in Lavoptik eye wash. In one case of weak and near-sighted eyes a few days use brought great improvement. In another case it stopped eye pains and inflammation. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cup FREE. Hennings' Drug Store, corner Fifth and McKean.

HIGH SCHOOL GOES BACK TO SCENERY HILL

In the West Bethlehem township school board fight involving the question of whether the high school shall be maintained at Scenery Hill or Marianna, the directors favoring the Scenery Hill location won out. This means the high school will come back to Scenery Hill.

Rowland F. Hill and H. M. Rasel on the Republican ticket, and who favored the Scenery Hill location, were elected. Winston Dunn, who ran as an independent candidate, and who favored the Marianna location lost out. The victory was won by a margin of three votes. There are five members of the board. The three holding over are J. C. Burson, Omer White and Winnett McCarty. Burson favors the Scenery Hill location and with the two new members elected on Tuesday will have a majority on the board.

EASE THE PAINFUL RHEUMATIC TWINGE

Sloan's Liniment will bring comforting relief quickly

NEVER breaks faith, Sloan's Liniment doesn't. Just penetrates without rubbing and eases the external pain and ache, rheumatic twinges, lumbago, neuralgia, sciatica, lame, sore, strained muscles, bruises, sprains.

For 38 years it has gone ahead winning new friends, holding old ones, strengthening its reputation as the World's Liniment. Clean, effective in relieving the aches and pains of men and women, this old family standby can be relied upon to do its work promptly and surely. Don't be without a bottle another day—keep it handy. All Druggists—35c., 70c., \$1.40.

Do You Remember---November 11 that day last year when we all went wild--threw our hats in the air, rang the bells and blew the whistles in sheer delight because the signing of the armistice meant the end of the war?

It was the end of a period of destruction during which we "went without," that production might center on materials for war.

On the anniversary of Armistice Day, November 11, let all Americans pledge themselves to work together and stop waste. Only in this way can we make up the years of lost production and again know peace with plenty.

The Place That Saves You Money on Every Purchase

Outfitting The Boy FOR THE WINTER

is a question that generally presents itself to fathers and mothers at this season of the year, but it is of more importance this year than ever for there are so many clothes of shoddy.

A boy's suit must be all wool to give service and no other sort of clothing can possibly find its way into our Boys' Clothing Department. You'll find some plain shades, such as brown, gray and blue, as well as some good mixtures that will appeal to the little fellow and the prices will appeal to father. The models are waist seam, full belted, back belt or plain.

then there's shirts

waists, ties, collars, caps, hats, underwear, stockings, sweaters and mackinaws--all to be had at this one store and all correct as to quality and price.

Our extensive assortments are always sure to give more satisfaction than the place where selections are limited by extensiveness of stocks.

The New Fall Shoes We Have For You
Men! They're Great!

If you had to go to as much trouble to get these shoes as we did, you'd have decided to go barefooted long ago! Good shoes are scarce, prices are high and leather is becoming harder to get almost by the day.

Yet in spite of all these troubles, here are mighty good assortments of mighty good shoes--the kind we're not afraid to guarantee. They're in fine new styles and there's a model for every occasion from shoes for the heaviest work to shoes for finest dress.

Here are facts! You'll go a long way before you'll find as good shoes as these, in as large assortments, prices very little higher than last year and at least \$3.00 to \$5.00 a pair less than they will be in a few months from now.

READY TO FIGHT LIFE'S BATTLES

The men and women who win life's battles are physically and mentally right. They take care of themselves and make sure that their blood is charged with life-giving iron and their nerves fed with phosphates.

The foremost doctors all over the world are depending more and more on iron and phosphates to rebuild run-down, overworked men and women, old before their time.

They claim that the healthy, strong, successful men and happy, rosy-cheeked women always have an abundance of Phosphated Iron in their blood: that it is the secret of good health.

Every man and woman can be made strong, keen, healthy and alert, enjoying life's pleasures, if they will renew their blood with iron and phosphates.

Phosphated Iron makes new, rich, red blood, strengthens the nerves, and often increases the strength and vitality of its users 100 per cent. Thousands of men and women "all-in" and worn out have experienced a most astonishing increase of strength and endurance in a very short time by simply taking Phosphated Iron.

Phosphated Iron is put up in capsules only. Do not take inferior pills or tablets. Ask for Phosphated Iron Capsules. For sale by

W. F. Hennings, the druggist, and leading druggists everywhere.

STRIKE IN DONORA IS ABOUT ENDED

Reports from Donora on Wednesday said that the steel strike so far as the Donora mills are concerned, is practically at an end. Enough men were signed up by the American Steel and Wire company on Wednesday to put in operation three rod mills on Monday morning next. It is expected that when the whistle blows on Monday it is expected that at on Monday that at least 1,500 more men will report for work.

The result of the election on Tuesday when Charles E. Titus was re-elected Constable, is said to have hastened the end. Titus was opposed to the radical element because of his activity in enforcing the law without fear or favor, and was supported for re-election by those in Donora who are in favor of law and order. The result served to impress the radicals with the fact that public sentiment was not backing them in the strike.

At the primaries Titus lost the Republican nomination, but was named on the Democratic and Prohibition ticket. Titus was opposed by strike sympathizers, it was said, but he determined to fight the matter out at the general election and he won over Mazie by 88 votes.

Mrs. Joseph Lichter and daughter have gone to Baltimore to attend the wedding of Mrs. Lichter's brother, H. L. Cooper, former Paymaster in the United States Navy.

"YANKEE DOODLE IN BERLIN"
"Yankee Doodle in Berlin" will be seen at the Copley Theatre, Saturday. And that isn't all.

With Sennett's latest and biggest production will come the Mack Sennett girls--the Bathing Beauties--who till now have never been permitted under the terms of their contract to appear professionally outside the seclusion of the Sennett studios.

It is pointed out, that this combination of a motion picture masterpiece with living participants appearing in an attractive and appropriate act on the stage represents a departure utterly new to the world of motion photography.

An act, beautifully costumed, elaborately lighted and tastefully staged has been provided and in it the pretty girls of the Sennett Studios will step into the full glare of the footlights.

The plot of "Yankee Doodle in Berlin" is not a war-plot, but a policy plot. Its policy is one of the elements that makes of this latest Sennett production his biggest and most important creation.

AN AGREEABLE SURPRISE

You will be delightfully surprised at the wonderful effect you will obtain from old Mother Nature's rare prescription. The health glow to your skin, the clear sparkle of your eyes, will tell you and all your friends that Bulgarian Blood Tea is the best blood and health tonic created for mankind by an all-wise Providence. To cleanse and enrich the polluted blood, to rid the system of the poisons that drag you down to disease and an early old age, nothing just quite equals this rare prescription. To guard against Influenza, Pneumonia and other winter ills take it steaming hot at bedtime. Ask your druggist for Bulgarian Blood Tea. Sold everywhere. If your druggist is out of it you should have it at once--quick shipment by insured mail. Send 65 cents for a two months' supply, or \$1.25 for a large family five months' supply. Address: Marvel Products Co., sole manufacturers of Bulgarian Blood Tea, Marvel Building, Pittsburgh, Pa.

FORGET YOUR RHEUMATISM

Don't suffer when you can get "Neutrone Prescription 99". Rheumatism, one of the most common ailments, is one of the hardest to cure, because of its being a blood disease. Any remedy to be effective must purify the blood and kidneys, common sense teaches you this.

That is why "Neutrone Prescription 99" is so successful, it is a combination of blood purifying agents prepared from the prescription of a specialist. It relieves those sore, inflamed joints and muscles. "It puts out the fire". It does all these things, restores your health, makes you happy and free from pain.

Go to your druggist today and get a bottle, then say, good-bye, Rheumatism. 50c and \$1.00 the bottle. For sale by

W. F. Hennings, the druggist, and leading druggists everywhere.

Electric Power Is a Necessity

Companies supplying electric power are dealing in a necessity--not a luxury. The West Penn is serving a territory in which the demand for power is almost unlimited. The power business of the System has more than doubled in the past five years--AND IS STILL GROWING.

This power business is back of West Penn Railways Company Preferred Stock and the earnings from this business paid to the Railway Company are more than enough to pay the dividends on this stock.
